

This brochure is not a contract and provides general information only. For contract terms, conditions and eligibility, please refer to the vehicle service contract from Integrity Warranty, LLC. The vehicle service contract obligor is either Integrity Warranty, LLC, Integrity VSC Services, LLC or Plateau Service Company depending on your state. Please refer to the vehicle service contract for additional details.

Integrity Warranty, LLC
8822 Production Ln. Ste 106
Ooltewah, TN 37363
(877) 483-6659

WWW.INTEGRITYWARRANTY.COM

Backed by Plateau Casualty Insurance Company,
rated A- Excellent by A.M. Best.

Integrity Warranty provides peace of mind nationwide.

Throughout the US, you will have the confidence of knowing that if you need repairs to your vehicle, Integrity Warranty is there to provide service.

An extended warranty that keeps you on the road for less.

An Integrity Extended Warranty will help minimize your out-of-pocket cost on costly repair expenses.

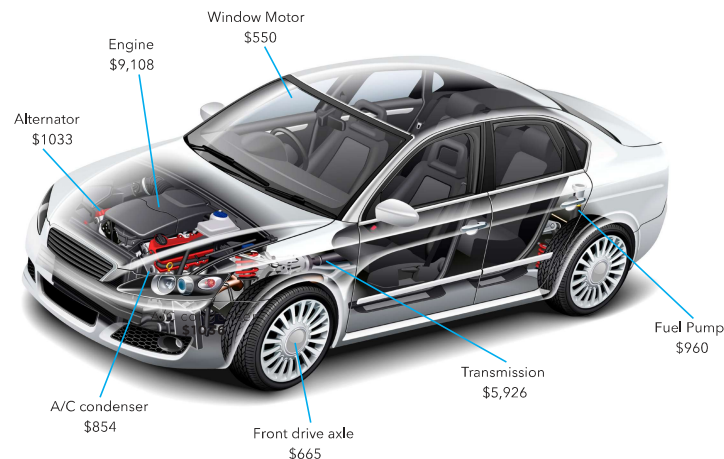

Some of the benefits of coverage:

- Nationwide Consultants
- Rental car coverage
- Fully Transferable

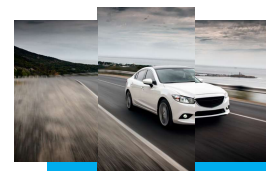

Peace of mind.

If your vehicle needs repair after your factory warranty expires, Integrity Warranty is here to provide peace of mind and protection against high repair costs. Integrity Warranty provides a variety of coverages to best meet your needs.

These are some of the replacement costs that an extended warranty would help by minimizing your out-of-pocket expenses.*

*Average replacement costs were calculated for these popular vehicles of 2020 using Mitchell Pro Demand Information Systems parts and labor data (Honda Fit, Acura TL, Toyota Camry 2.4L Nissan Frontier V6, Ford F-150 3.5L, Chevy Silverado 5.3L).

Bronze

Engine Internally lubricated parts within the engine as follows: pistons, rings, connecting rods, bearings, crank shaft, oil pump, gears, cam shaft, timing chain, timing gears, timing chain tensioners, wrist pins, valves, valve springs, lifters, rocker arms, cam follower, push rods, cylinder head gaskets.	Four Wheel/All Wheel Drive (surcharge applies) Internally lubricated parts as follows: constant velocity joints (unless boot is damaged or missing), universal joints, planetary gears, ring and pinion, spider gears, bushings, axle shafts, final drive housings (final drive housings are covered if damaged by an above listed Covered Component).
Transmission Internally lubricated parts as follows: shafts, gears, bushings, synchronizers, torque converter, pumps, valve body, synchronizer drums, planetary gears, internal linkage. Transmission/Transaxle cases are covered if damaged by an above listed Covered Component.	Cooling Radiator, fan, fan clutch, water pump.
Transfer Case Internally lubricated parts as follows: gears, chains, bushings, bearings, sprockets, sleeves, internal linkage. Transfer cases are covered if damaged by an above listed Covered Component.	Air Conditioning Evaporator, condenser, compressor. If needed in conjunction with a Covered Repair, expansion valve, orifice tube, accumulator/receiver dryer will also be covered. Evacuation and recharge are only covered if in conjunction with a Covered Repair.
Drive Axel Internally lubricated parts as follows: constant velocity joints (unless boot is damaged or missing), universal joints, ring and pinion, spider gears, internal bushings, differential housings, axle shafts, final drive housings (final drive housings are covered if damaged by an above listed Covered Component).	Electrical Power window motors and switches, power door lock actuator, combination switch, turn signal switches, washer pump, manual heater/ac blower and speed switch, front and rear wiper motor and switches, starter motor, starter solenoid, alternator/voltage regulator.
Turbo/Supercharger (surcharge applies) Internally lubricated OEM parts of the turbo and/or supercharger.	Fuel System Fuel pump, high pressure fuel pump, factory metal fuel lines.
	Seals and Gaskets Cylinder head gaskets, all other seals and gaskets are covered in conjunction with repair of above-listed Covered Components.

* The Bronze plan is eligible for vehicles up to 20 years old and 200K miles.

Silver

Engine Internally lubricated parts within the engine as follows: pistons, rings, connecting rods, bearings, crank shaft, oil pump, gears, cam shaft, timing chain, timing gears, timing chain tensioners, wrist pins, valves, valve springs, lifters, rocker arms, cam follower, push rods, cylinder head gaskets.	Four Wheel/All Wheel Drive (surcharge applies) Internally lubricated parts as follows: constant velocity joints (unless boot is damaged or missing), universal joints, planetary gears, ring and pinion, spider gears, bushings, axle shafts, final drive housings (final drive housings are covered if damaged by an above listed Covered Component).
Transmission Internally lubricated parts as follows: shafts, gears, bushings, synchronizers, torque converter, pumps, valve body, synchronizer drums, planetary gears, internal linkage. Transmission/Transaxle cases are covered if damaged by an above listed Covered Component.	Cooling Radiator, fan, fan clutch, water pump.
Transfer Case Internally lubricated parts as follows: gears, chains, bushings, bearings, sprockets, sleeves, internal linkage. Transfer cases are covered if damaged by an above listed Covered Component.	Air Conditioning Evaporator, condenser, compressor. If needed in conjunction with a Covered Repair, expansion valve, orifice tube, accumulator/receiver dryer will also be covered. Evacuation and recharge are only covered if in conjunction with a Covered Repair.
Drive Axel Internally lubricated parts as follows: constant velocity joints (unless boot is damaged or missing), universal joints, ring and pinion, spider gears, internal bushings, differential housings, axle shafts, final drive housings (final drive housings are covered if damaged by an above listed Covered Component).	Electrical Power window motors and switches, power door lock actuator, combination switch, turn signal switches, washer pump, heater/ac blower motor and manual speed switch, front and rear wiper motor and switches, starter motor, starter solenoid, alternator/voltage regulator.
	Suspension The following components within the suspension system: Wheel bearings, spindle/sup-ports, leaf springs, coil springs, torsion bars, track bars, king pin, non-electronic stabilizer bars and linkage, upper and lower control arms, thrust arms, trailing arms and shafts.
	Turbo/Supercharger (surcharge applies) Internally lubricated OEM parts of the turbo and/or supercharger.

* The Silver plan is eligible for vehicles up to 15 years old and 150K miles.

Gold Exclusionary

Brakes The following components within the brake system: Master cylinder, calipers, wheel cylinders, combination valves, vacuum booster.	Power Steering Internally lubricated parts as follows: tie rod ends, center link, pitman arm, idler arm, steering gear, power steering pump. The steering gear housing is covered only if damaged by a Covered Component.
Seals and Gaskets If Vehicle odometer is less than 75,000 miles at the time of Contract purchase, Seals & Gaskets Coverage is automatically included at no additional charge. If Vehicle odometer is between 75,000 and 125,000 miles at the time of Contract purchase, Seals & Gaskets Coverage must be selected to receive Seals and Gaskets Coverage. If Vehicle odometer is greater than 125,000 miles at the time of Contract purchase, Vehicle is ineligible for Seals & Gaskets Coverage. If Seals & Gaskets Coverage is selected on Declaration Page, then Seals and Gaskets Coverage will be extended to above-listed Covered Components. Note - minor loss of fluid or seepage is not considered a Breakdown and is not covered.	Turbo/Supercharger (surcharge applies) Internally lubricated OEM parts of the turbo and/or supercharger.
	Engine Internally lubricated parts within the engine including: intake manifold, pistons, rings, rods, bearings, crank shaft, distributor shaft, oil pump, cam shaft, timing chain, timing gears, tensioners, engine mounts, harmonic balancer, wrist pins, valves, lifters, rocker arms, push rods, seals and gaskets.
	Cooling Engine cooling fan blade, engine cooling fan clutch, engine cooling fan control module, engine cooling fan motor, engine cooling fan relay, idler pulley, radiator, serpentine belt tensioner, water pump, seals and gaskets.
	Air Conditioning Accumulator/receiver, actuators, blower motors, compressor, compressor clutch, condenser, evaporator, expansions valves, orifice tube, evacuation and recharge covered in conjunction with a covered repair, seals and gaskets.
	Electrical Alternator, blower speed switch, body control module, brake light switch, control head, door ajar switch, ECM (Engine Control Module), ECU (Engine Control Unit), fuel door actuator, head lamp dimmer switch, head lamp switch, headlamp motors, horns, hornrelay, map light switch, oil pressure sending unit, power antenna motor and switch, power window motors and switches, power door lock and actuators, power conventional sunroof motors, PCM (Powertrain Control Module), rear hatch motor, sliding door motors, turn signal flasher, turn signal switch, voltage regulator, window washer pumps, front and rear wiper motors and switches, starter motor, starter solenoid.
	Transfer Case Internally lubricated parts including: gears, chains, bushings, bearings, sprockets, sleeves, transfer case housing, transfer case control module, 4X4 actuator, 4X4 encoder motor, 4X4 engagement switch, 4x4 vacuum valve, seals and gaskets.
	Drive Axel Internally lubricated parts including: constant velocity joints, universal joints, planetary gears, bushings, transaxle housings, differential housings, final drive housings, axle shafts. Axle bearings, center support bearing, locking hubs, drive shafts, seals and gaskets.

* The Gold plan is eligible for vehicles up to 15 years old and 125K miles.

There are too many covered components to list them all. These are examples of covered components, but not an all-inclusive list. See contract for details.

Additional Benefits:
24-Hour Roadside Assistance and Towing

- Towing:** Tow your covered vehicle to a repair facility
- Battery service:** Jumpstart covered vehicle if it won't start due to a weak or dead battery.
- Flat Tire Assitance:** Change the flat tire on your covered vehicle with your inflated spare.
- Emergency Fluid Delivery:** Deliver gas or other fluid to your covered vehicle.
- Lock-Out Assistance:** If your keys are locked in the covered vehicle, assistance will be provided to gain entry to the vehicle.

Integrity Warranty & **CARCARE** Promotions have built a partnership of trust and service to offer a **COMPLIMENTARY 5 year maintenance plan** with every qualified vehicle service contract. What is the 5 Year Maintenance Plan? It protects vehicles through accessible and affordable preventative maintenance. The 5 year maintenance plan provides instant savings at more than 6,000 participating national-brand service centers. Examples include oil changes, tire mount, balance, alignment and rotations, brakes, AC service, transmission service and batteries.
